

Attention Medical and Pharmacy Providers

The PDL document has been updated from the September meeting.

The updated PDL is available under the PDL List link on this page. The implementation date for each drug class is listed below the category and will be January 1st, 2017 for the majority.

Please contact Pharmacy Services at 1.800.999.3371 select option 0, select option 1 for further clarification

Pharmaceutical and Therapeutics (P&T) Committee

The Pharmaceutical and Therapeutics (P&T) Committee has been established by DMMA to provide clinical leadership in the selection of preferred medications. This selection will be based on a review of the relative clinical effectiveness and cost of products within selected therapeutic classes. The program's objective is to achieve quality pharmaceutical care for recipients enrolled in the Department's Medicaid programs while providing significant state savings.

- P & T Committee Meeting -

The next Delaware P&T meeting is scheduled for Thursday, September 14, 2017.

**Delaware Technical Community College
400 Stanton - Christiana Road
Newark, DE 19713
